

HOPE NEWS

. On behalf of our board of directors we are thrilled to share the news of another extremely successful year with our projects in Cambodia and the sleeping bags program for West Australian's homeless. Lives are being changed, rescued, educated and loved on. None of this would be possible without the financial support and sponsorship from the people who care and open their hearts to those less fortunate. Thank you so much to everyone who has contributed financially and in prayer to the marginalised people among us. We ask that you continue to keep us in your prayers as we transition into greater developments and planning.

A team trip will be organised in 2020 to visit and support our programs, which always has positive and lasting benefits. If this is something that you are passionate about please contact us so we can keep you informed of the plans.

STITCHES OF HOPE EDUCATION CENTRE

Amazing provisions and plans are being made for our 100 rural children who are benefiting from the positive input to their education and social development. The appreciation shown to the visiting teams and staff touches our hearts and inspires us to continue the hard work of fund raising, paying wages, sponsorship, supplies and improvements which are a monthly cost to protecting and empowering these young lives.

CHILDREN'S HOME

They are like a happy family who love and live together encouraging one another in study and recreation. Our senior students are achieving great results at University and schooling and have the security of a safe place to spend their free time and make strong friendships.

All our staff at Stitches of Hope in Cambodia have recently completed the Chab Dai Child Protection course and been empowered in the knowledge of protection and security for our young people, and their role as care providers.

SLEEPING BAGS

A wonderfully successful program which provides employment to vulnerable young women in Cambodia as they have now produced 1,500 beautiful sleeping bags for the homeless people in Western Australia. Many of these homeless people are in dire situations through tragic circumstances and no fault of their own. Many thanks to Rotary Clubs, Inner Wheel Clubs, friends and supporters around the state who are enabling this project to continue. At a cost of \$50 per bag we can guarantee a win/win effect from your generosity. Special thanks to the Kimberly Birds business who ran a wonderful fund raising event for the Cambodian people.

MANGOES FROM KUNUNARRA

Thank you to everyone who supported and enjoyed the flavours from Kununarra as this enabled us to provide much needed equipment for our kids.

SUPPORT

We have many rural children who are hungry and uneducated. If you feel you can help in any way, please make contact with us for their photo and details.

Best wishes from the board for the New Year ahead and pray we all make wise choices so the lives of others may be greatly blessed.

Please consider becoming a **Monthly Partner with Stitches of Hope** to help support the wonderful projects that are being carried out.
